Erpenbach Family Memorial Scholarship - Application Form

This scholarship was created in memory of Donald Erpenbach and Karen Lange Erpenbach, both life-long educators who lived and worked in the Neillsville / Granton Wisconsin area. Their family wants to honor their memory by offering financial assistance each year to a student graduating from either Neillsville or Granton High School, preferably someone interested in the *agriculture, education or forestry* field of study. Don was born in Clark County and grew up on his parent's farm before graduating from Neillsville High School. After serving his country during the Korean War, he became an agricultural educator, a guidance counselor, a principal and finally an administrator at various local school districts (including Granton) and Mid-State Technical College. Karen was a teacher for the Neillsville School District from 1970 until her retirement in 2007. Both valued the importance of a good education and enjoyed seeing their former students continue to learn.

Please print or type this Application. Attach additional pages and information as necessary and answer each question separately and in the order shown on this application.
